WELCOME

Welcome to Las Vegas and the Las Vegas Convention Center (LVCC). A major function of the Traffic Section is to ensure parking be as convenient as possible within constraints imposed by demand, available space and cost.

Parking Fees:

When paid parking is in effect, the fee is **\$10.00** per space with in and out privileges. Please display ticket stubs in view on your dashboard.

Parking Space Designation:

Parking is permitted in marked spaces only.

YELLOW SPACES designate general parking permitted with a proper pass or ticket stub.

RED CURBS designate fire lanes. Fire lanes are tow-away zones and must be kept clear at all times.

Accessible Parking:

Accessible parking spaces are provided and are designated by a sign showing the symbol of accessibility. Van-accessible spaces are also available.

Speed Limit:

The speed limit at the LVCC is 15 mph unless otherwise posted, with 5 mph in effect in the lots.

Lost Your Vehicle?

It's easy to do with more than 5,500 parking spaces. Come to the Security Dispatch Office located on our main concourse by the C Halls. The office is open 24 hours and we will be happy to help you locate your vehicle.

Abandoned Vehicles:

OVERNIGHT PARKING IS NOT PERMITTED. Abandoned vehicles may be towed and/or impounded at the owner's expense.

Towing & Impoundment of Vehicles:

This may occur when a vehicle is:

- Blocking a fire lane or hydrant
- Blocking a roadway, drive or loading dock
- Creating a potential safety hazard
- Parking in violation of posted signs
- Blocking other vehicles
- Using an expired or altered parking pass

FOCUS ON SAFETY

- Insist that everyone wear a seat belt.
- Always drive defensively.
- Stay alert.
- Stop your vehicle to use a hand-held cellular phone.
- Avoid being a victim of road rage. Let irate drivers pass.
- Never drink and drive. Always have a designated driver.

Rules and regulations are enforced by the Security Department 24 hours a day, seven days a week. Vehicles must be operated and parked in a manner that assures the safety of other drivers and pedestrians. Parking is permitted in marked spaces only. The entire vehicle must be within the boundary lines of the parking space. Weather conditions are not valid reasons for violation of regulations. Revocation of parking privileges may be made by the Security Department for failure to comply with these regulations. In the event of mechanical failure of a vehicle, the owner/driver is responsible for its removal as soon as available services permit. Lots may not be used to store a vehicle.

Any questions or comments may be directed to the Traffic Section at 702-892-7415 or the Security Department at 702-892-7400.
